

WEBSITE DESIGN & DEVELOPMENT AGREEMENT

This Agreement is entered into between:

Developer: Mr. Aksh Kumar

and

Client: BOAT LINK MEDICAL EQUIPMENT TRADING L.L.C

Effective Date: 25th May, 2026

1. Project Scope

The Developer agrees to design and develop a responsive medical equipment company website for the Client.

Website Structure

The website shall include:

- Home Page
- Product Catalog Section
- About Us Section
- Contact Information Section
- WhatsApp Inquiry Integration
- Footer with company information and contact details

Product Catalog

The website shall initially include:

- 16 Product Divisions/Categories
- Approximately 60 products

Products will be organized under their respective categories.

The Developer may source publicly available reference images where required. Final approval of all images rests with the Client

Instead of separate product pages, product details shall be displayed using popup modal windows containing:

- Product Image
- Product Name
- Product Description
- Product Specifications
- Inquiry via WhatsApp

Search & Navigation

The website shall include:

- Product Search Functionality
- Category-based filtering/navigation
- Responsive product catalog layout

Design & Branding

The Developer shall:

- Create a custom website design based on approved reference websites
- Implement responsive layouts for desktop, tablet, and mobile devices
- Integrate the approved company logo supplied by the Developer

Included Features

- Custom UI Design
- Mobile Responsive Design
- Product Catalog
- Product Search
- Category Filtering
- Product Detail Modals
- WhatsApp Integration
- Basic SEO Setup
- Website Deployment Assistance

2. Client Responsibilities

The Client agrees to provide:

- Company information
- Product lists
- Product specifications/details
- Contact information
- Licensing/certification information (if desired for display)
- Any additional content required on the website

The Client is responsible for reviewing and approving all content before publication.

Any delays in providing required information may extend the delivery timeline.

3. Project Fee

Total Project Cost: **₹7,500**

This fee includes:

- Custom Website Design
- Front-End Development
- Product Catalog Setup
- Integration of approximately 60 products
- Responsive Design
- Product Search Functionality
- Category Filtering
- Product Detail Modals
- WhatsApp Integration
- Basic SEO Setup
- Deployment Assistance

4. Domain & Hosting

Domain registration and hosting charges are included for the duration of 1 year only if purchased through the Developer as part of this quotation

These services shall be renewed after a year separately by the Client.

Ownership of the domain account shall remain with the Client.

5. Payment Terms

- 50% advance payment before project commencement.
- Remaining 50% payment before final website deployment and handover.

Final source files and deployment will be provided after receipt of full payment.

6. Revisions

The project includes up to two (2) rounds of reasonable revisions.

Reasonable revisions include:

- Text changes
- Minor design adjustments
- Content modifications

Major redesigns, structural changes, or additional functionality requested after approval may incur additional charges.

7. Additional Work

The following are NOT included unless separately quoted:

- Backend/Admin Panel
- Product Management Dashboard
- Database Systems
- User Login Systems
- E-Commerce Functionality
- Payment Gateway Integration
- Inventory Management
- Contact Form Functionality
- Additional Categories Beyond Scope

- Significant Product Additions Beyond Initial Scope
- Major Design Revisions

Any such requests shall be treated as additional work and may require a revised quotation.

8. Maintenance (Optional)

Optional maintenance services may be provided separately at mutually agreed rates.

Maintenance is not included in the project fee.

9. Intellectual Property

Upon receipt of full payment:

- Ownership of the completed website shall transfer to the Client
- Ownership of the logo shall transfer to the Client
- Ownership of Client-provided content shall remain with the Client

The Developer reserves the right to display the completed project within personal portfolios and promotional materials unless otherwise agreed in writing.

10. Delivery Timeline

Estimated delivery: 5 business days

The timeline shall begin once:

1. Required project information has been provided.
2. Timeline begins once advance payment has been received.

Delays in content approval or information submission may extend delivery dates.

11. Project Completion

The project shall be considered complete when:

- The agreed website functionality has been delivered
 - Included revisions have been completed
 - Final payment has been received
-

Acceptance

This Agreement may be accepted through physical signature, scanned signature or via email confirmation.
